

1 DELEGATE CLARK: Delegate Boyce can proceed.

2 DELEGATE BOYCE: A member of the Committee, Dele-  
3 gate Mauer, has a series of amendments that she would prefer  
4 to make to the Majority Report. They substantially do  
5 exactly what the Minority Report was trying to do and it  
6 might make it easier for everybody if I temporarily withdraw  
7 my three and see if the body would be willing to accept her  
8 amendments. This would satisfy us and then the Majority has  
9 four technical amendments that they would like to put in at  
10 the same time.

11 If I might have permission to do that.

12 DELEGATE CLARK: You have that permission. The  
13 Chair recognizes Delegate Raley.

14 DELEGATE RALEY: Mr. Chairman, there are some  
15 questions that I have -- at least with the Minority Report,  
16 as submitted, you have an opportunity to ask questions. If  
17 you submit amendments it is a little more difficult. I do  
18 have some questions here. If it is substantially the same,  
19 I wonder if we could proceed with questioning Delegate Boyce?

20 DELEGATE CLARK: It is all related. I think  
21 perhals this is all right. Go ahead and ask your question,
